WHAT IS OUR SCHOOL?

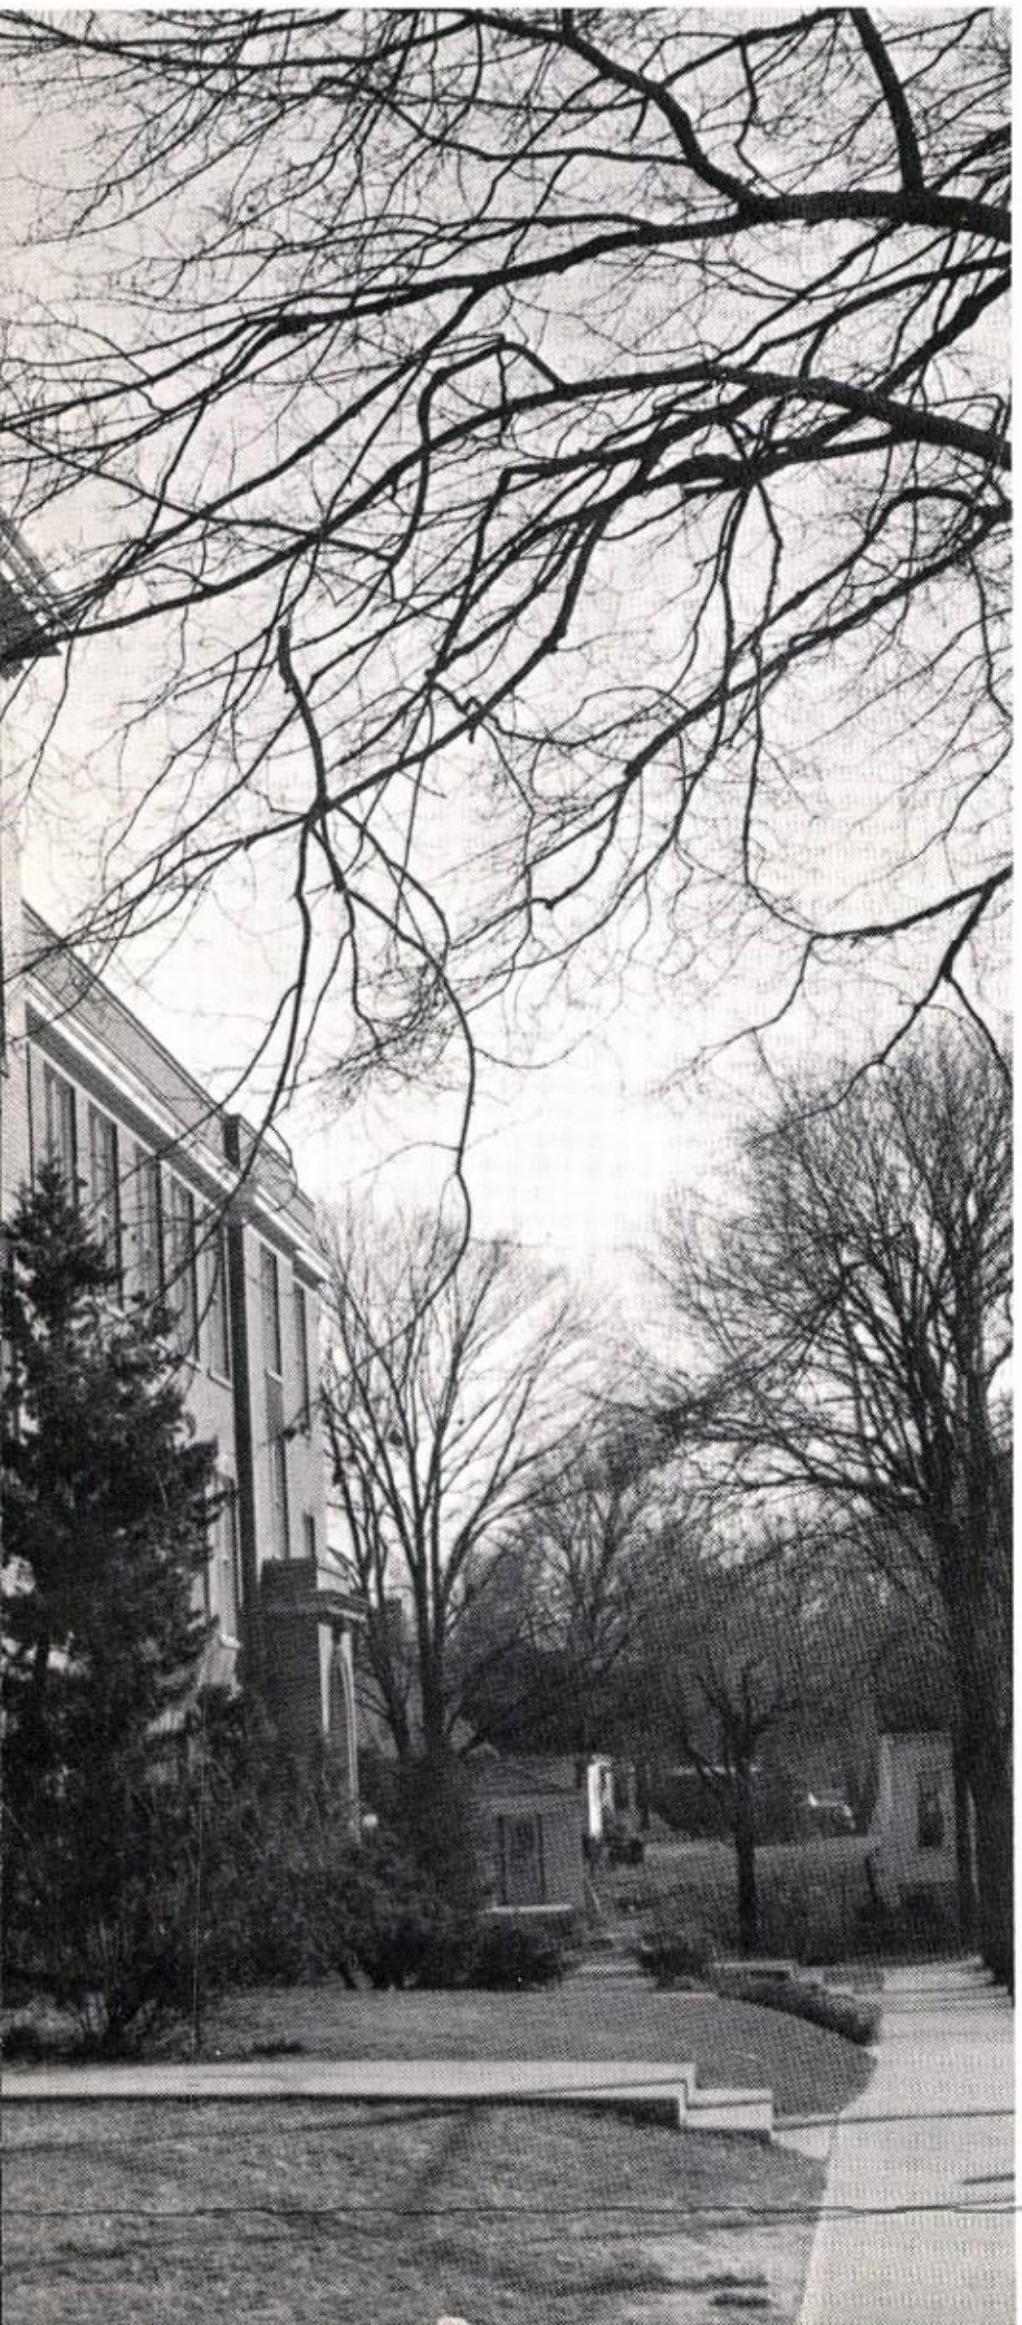
FRANKLIN HIGH SCHOOL

FRANKLIN, INDIANA

WHAT IS OUR SCHOOL?

IT IS OUR BUILDING . . .

FAMILIAR TO ALL



Our school is a building devoted to education; but more than that, our school is guys and gals, coaches and players, sponsors and classes, and always -- bells.

It is the rush of hurriedly tossing books into lockers, frantically struggling into coats, and racing to Nick's in order to get a booth before the mob descends.

Ever waving our colors high, we trek to ballgames; scramble for seats; and gorge ourselves on hotdogs, popcorn, candy bars, push-ups, cokes, and HOT coffee -- drawing closer together as we cheer our teams on to victory.

A spirit of cooperation in our activities helps to achieve a feeling of "we" that strengthens everything we do. Our desire to better ourselves and our school, our democratic way of doing things, and our loyalty to teachers and friends help make Franklin High School one of the best.

Our faculty and administration guide us . . .

Discussing plans for the new high school to be adjacent to Northwood are Superintendent of Schools Earl Wood, School Board Secretary Judson Deer, Treasurer William F. Furnish, and President Roger B. Owens.

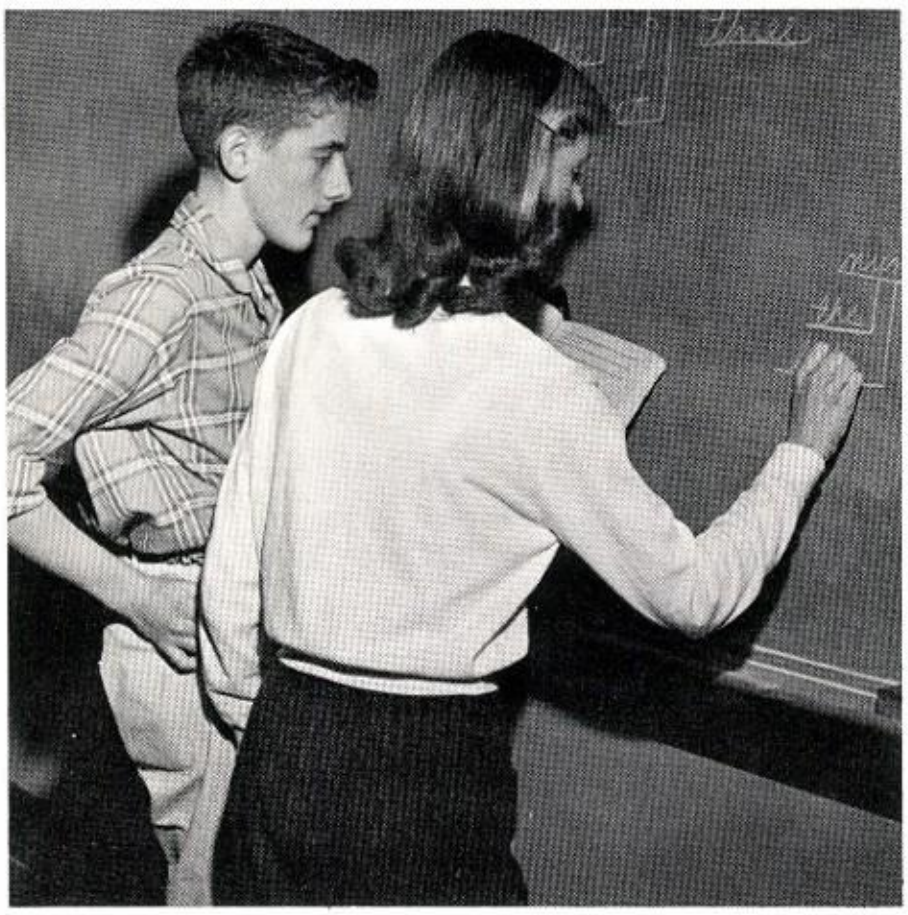
adjectives and adverbs . . .



Adverbial clauses, the plague of nearly all English students, are diagrammed by Bruce Irish and Bonnie Ballard.

Communication--reading, writing, listening, speaking--is the field of the department of English. The ability to share ideas, beliefs, understandings, and emotions is more important today than it has ever been before. Proficiency in this line enables one to interpret his ideas and ideals more successfully to those of his own immediate circle and to the ever-widening circle in which he finds himself today.

The purpose of the English department is to cultivate skill in the use of the English language; to give practice in expressing ideas in written words; to promote ability in public speaking; to develop an appreciation of and love for literature; and to encourage good listening habits. Special emphasis is given to preparation for college.

Many methods are used to accomplish the purpose of this department. Themes, grammar, letter writing, reading, plays, radio script writing, debates, book reports, library instruction, research themes, spelling, parliamentary procedure, essays, poetry, classics, fiction, biography--each of these finds its place in the English classes of Franklin High School.

nominative and subjunctive . . .

In this age of intercontinental travel, a good foundation in a foreign language is very beneficial. Two years of Spanish, a language gaining prominence in present day usage, is offered to and enjoyed by FHA students.

This year the department was enlivened by the presence of Senor Ricardo Poggio, a teacher from Guatemala, who made himself popular during his stay with us.

Latin, the basis of all the romance languages, is also offered in a two-year course. However, the number of students who can truthfully say "Veni! Vidi! Vici!" after completing the course is comparatively small.

Clubs for both groups are open to all students who maintain a sufficiently high grade average.

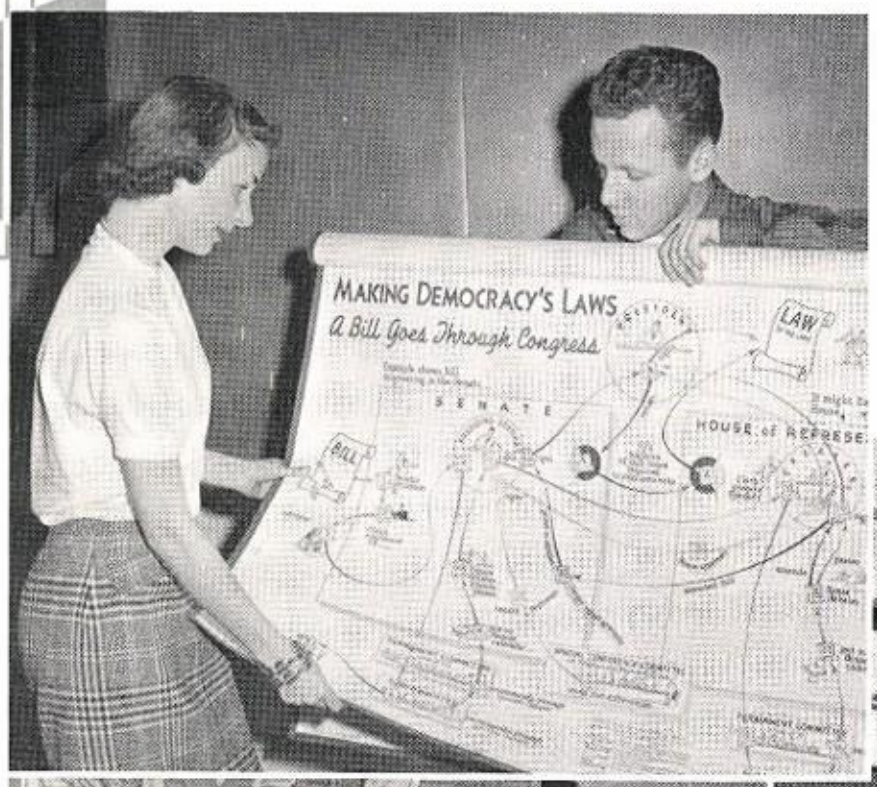
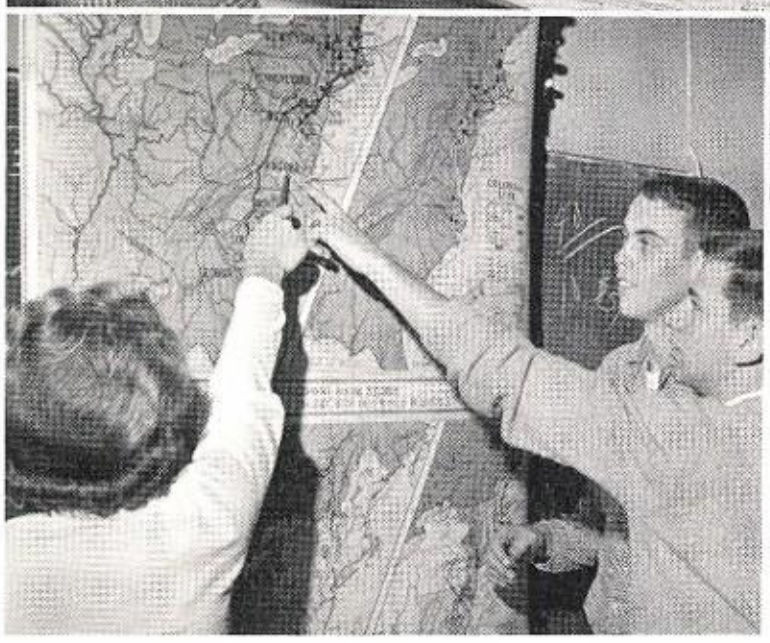
past and current events . . .



Ginny Neese and Bob Reed observe the intricate channels through which a bill passes to become a law.

History requires a lot of research! Just ask Ronnie Reed and Janice Lucas.



Paula Wills, Steve Dragoo, and Steve Van-Antwerp point to Jamestown, the historical spot which celebrated its three hundredth anniversary this year. Queen Elizabeth and Prince Philip were on hand for the festivites.

ROBERT P. VANDIVIER
History; Athletic director; Junior sponsor.

HERMAN A. SMITH
Social Studies; Driver education; Freshman sponsor.

ROBERT H. CLAXTON
Social Studies; Track-Cross-Country coach, reserve basketball coach; Eighth grade sponsor.

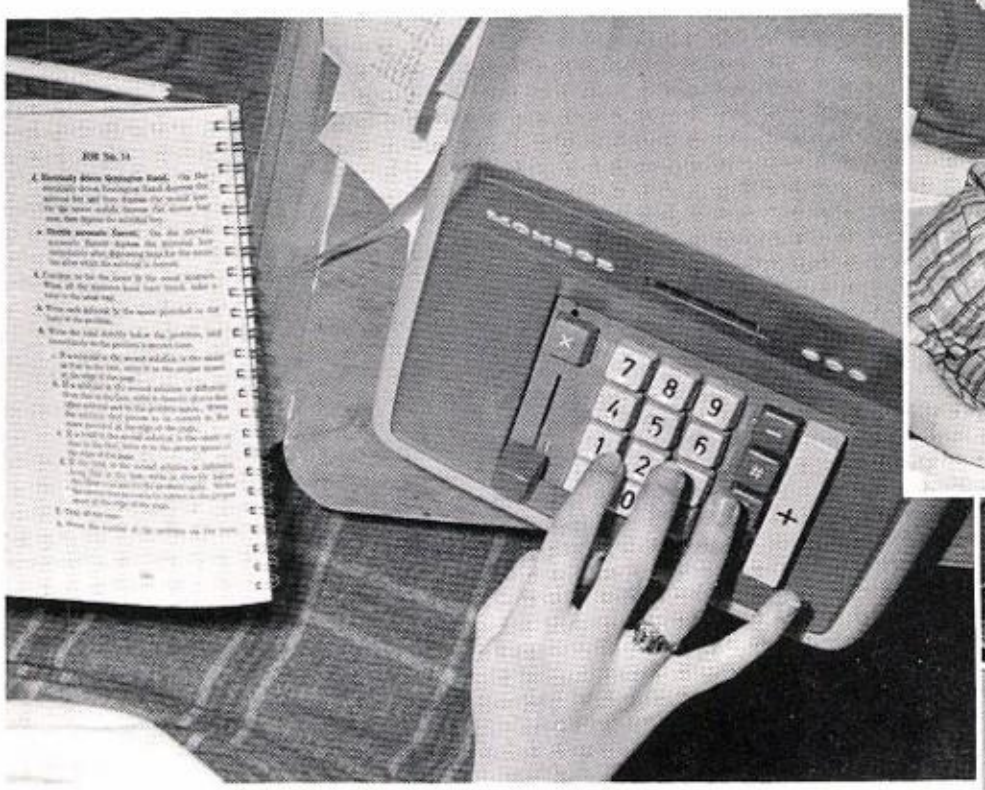
Social studies, from "We, the people . . . " to "The United States is bordered by . . . " is studied by all F.H.S. students.

Current events were many and interesting as we studied about such developments this year as the joining of Egypt, Syria, and Yemen into the United Arab Republic; and Iraq and Jordan's formation of the Arab Federation. Another first in '58 was Airman D. G. Farrell's simulated space journey, testing man's ability to withstand conditions in outer space. The Army sent up an Explorer to orbit the earth, and started talking about shooting for the moon. Proposals were made that Antarctica be used as a testing ground for international government by the U.N. For the first time, an atomic submarine, Skate, traveled 8 days under water without surfacing.

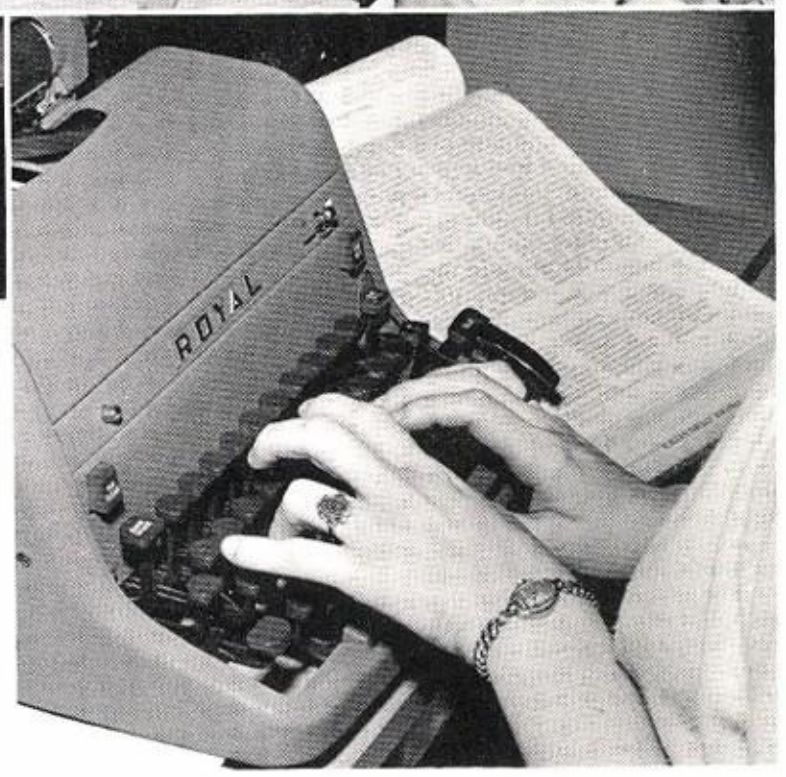
Two years of social studies are required for graduation; and many phases can be studied: geography, history, economics, sociology, and civics.

fingering and filing . . .

Filing miniature letters as they train themselves for future office work are Ann Boswell, Ailene Cook, Linda Pike, Judy Goodman, Nancy Brown, and Betty Woodworth.



Yards of tape are used to get that final answer in the business education department.



Learning to type business letters correctly is the main concern of many typing students.

Business education is a challenge to good business-like students who desire to put forth their best efforts in learning the skills of the business world which they will soon be entering. One-or two- year courses in typing, shorthand, clerical practice, bookkeeping, and general business are offered.

Although not business majors, many students find that a course in some form of business, especially typing and shorthand, is invaluable after graduation.

marching, breath control . . .

A truly democratic organization, the band is governed by a band council, with representatives from each grade. Its members include secretary, Ann Heminger; 8th grader, Phyllis Coffey; freshman, Jack Bingham; junior, David Harrison; uniform clerk, Diane Mitchell; drum major, Ted Wiegand; treasurer, Carol Richardson; student manager, Bob Chasteen; librarian, Lynda Keesling; and student director, Scott Howell.

Drums rolled, cymbals clashed, and trumpets blared as the Franklin High School Band marched onto the field for the six home football games.

This talented group consists of about eighty students from the top five grades.

Named the Champions of the 1956 State Fair Marching Contest, the Franklin band has won acclamation from the entire state. The band has ranked in the top three places during the past four years.

Playing for home ballgames, civic parades, high school and college homecomings, and an annual spring concert tour, plus three concerts, convocations, and a Pops Concert, keep the band schedule well filled.

Students are required to play first chair in their sections of junior band before they can gain entrance to senior band.

Aiding the band in their many activities is the Band Boosters Club, an organization of parents of band members and other interested people.

Blending their voices in golden harmony, the Franklin High School choir presents many programs during the school year. Besides participating in the Spring, Fall, and Winter Concerts, the choir provides special music for school convocations at Thanksgiving, Christmas, and Easter, and also for Commencement.

For several years the choir has participated in the District Band and Choral Contest and has received first division ratings.

The choir also adds beauty through harmony to community life as it presents programs for civic groups.

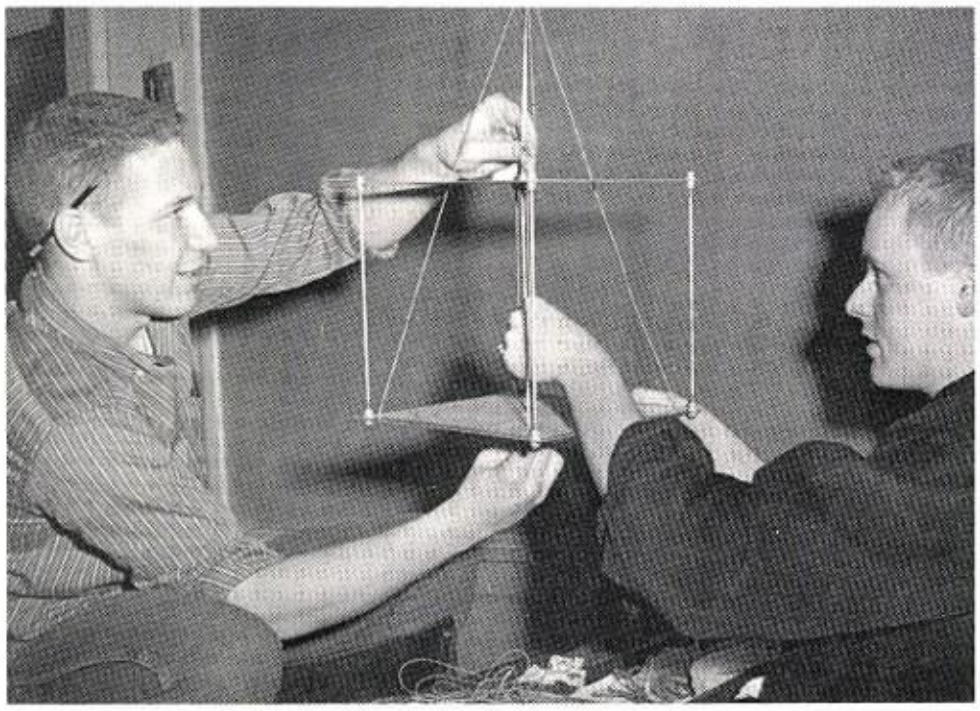
In his first year at Franklin High School, Mr. Penwell has proved himself to be an excellent choir director.



Senior solid geometry students Alan Winslow and Mark Rogers enjoy proving theorems by construction.

The mathematics department trys to teach as much high school mathematics as possible in as interesting a way as possible, trying to arouse and maintain interest through challenging situations.

The geometry classes have a chance for creativity in the figures they draw and for originality in their proofs. In the advanced classes, students are prepared for college, especially for such fields as science and engineering. These people get a lot of algebra, geometry, and trigonometry, plus brief excursions into allied fields.

The general mathematics classes get a review of fundamentals and a lot of practical problems--some just for fun.

This year, Sputnik gave impetus to our ambitions to become mathematicians.

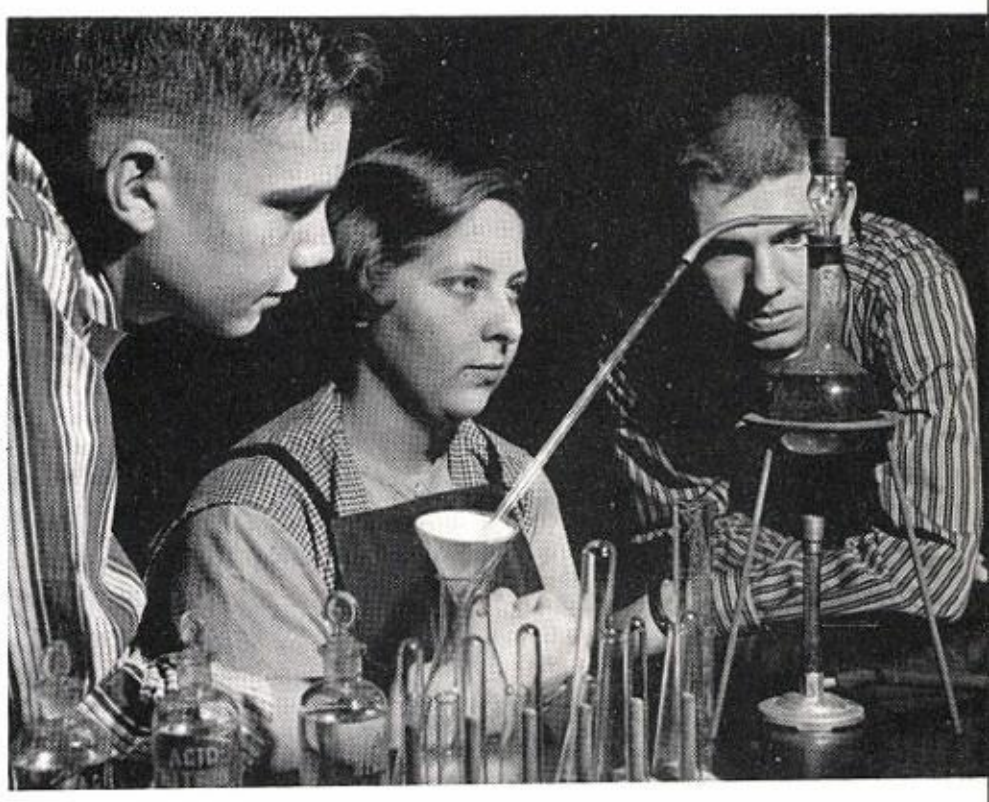
In this age of Sputniks, space ships, and intercontinental ballistic missiles, the need for scientists has become all-important.

Science today means electronics, nuclear energy, radar, television, chemistry, and many other things which have quickly become necessities of ordinary living.

General science, biology, physics, practical physics, and chemistry are available for all students, as they prepare themselves to live in our modern world.

Many experiments are conducted in these scientific courses, from "snakes and snails and guinea pigs' tails" in biology to "acids, bases, and salts" in chemistry.



Anxiously awaiting the outcome of a chemistry experiment are John Ferrell, Nancy Brown, and Bill Brown.

perspective and balance . . .

Walter Kemp, Robert Seitz, Joanna Smith, Mary Ballard, and Susan Seward, senior art students, find oil painting challenging as well as fun.

As well as teaching the many phases of art and art appreciation, our art department helps keep Franklin High School attractive by making posters and decorating windows.

Art students aid in publicizing school events, such as National Book Week, and school plays; and at Christmas they adorn the school neighborhood by making beautiful stained-glass windows with Christmas themes.

During the years students learn to work with clay, crayons, paints, water colors, oils, and tempera, and all other types of art equipment. Some of the students win recognition for work they have entered in contests in other cities.

"Together now! One-two-three-four!" This cry with its accompanying calisthenics often brings cracking knees and throbbing muscles to F.H.S. students who discover muscles they never dreamed they had.

Softball, basketball, volleyball, tumbling, football, kickball, and various relays help to make strong, healthy gymnasts.

Alternating with the actual physical participation is a health course designed for growing teenagers. It stresses cleanliness, a balanced diet, plenty of sleep, a happy mind, and lots of fun to keep us in tiptop shape for high school and the future.

The rules of good sportsmanship, not only for school activities, but also for community life, are studied and discussed. Although the temptation to break these rules is often great, we learn to try our best to control ourselves and our tempers in work and play as we grow in mind and body.

Volleyball, a major activity in the F.H.S. physical education program, is exciting. Emily Yount tries to return the ball as her teammates Sandy Justice, Janet Wheeler, Norma Lewis, and Barbara Cowan urge that ball across the net.

Practicing their culinary art are Susan Johnson, Becky Lind, and Judy Hensley.

"Be it ever so humble, there's no place like home," is the theme as home economics students from grades eight through twelve learn both the basic skills and the finer points of homemaking.

It not only features the traditional sewing and food preparation and serving, but also trains in fields of household economics and budgeting, interior decorating, home nursing, child care, home management, and family relationships.

It is highly recommended that girls in other curriculums include homemaking courses among their electives.

Charles Basham and Jerry Lusk grade seed as one of their agricultural activities.

The cross-sectional plan used in Franklin H.S. has been accepted and approved for the teaching of vocational agriculture. Jobs and problems of various enterprises are distributed during the two or more years of instruction, and a variety of references are available for the use of the boys enrolled.

The basic problems of livestock, crop production, farm management, marketing, farm accounting, and soil techniques are studied by most agriculture students.

Farm shop practices are integrated into the classroom instruction of each group. The boys' supervised farm practice is also centered in the instruction.

The courses in the Industrial Arts curriculum lead to graduation and provide training for students in the use of materials and tools basic to woodworking, metal working, drafting, and the building and mechanical trades. Subjects included are general shop, advanced shop, mechanical drawing, and machine shop.

WHAT IS OUR SCHOOL?

IT IS OUR ACTIVITIES . . .

THROUGHOUT THE YEAR

Our many activities in F.H.S. keep everyone constantly on the go. When the Wednesday morning bell rings, students scurry down the halls to their respective club meetings, and the presidents bang their gavels for order.

There is a club for everyone whether his interests are scientific or artistic. Vocation, as well as recreation, is stressed in some; scholarship and service are important to many; and unity is a necessity to all.

Busy work and busy play are vital to all Franklinites. Working secretly for Homecoming, enthusiastically for club projects, and planning our after-school fun makes all of us feel that we are contributing to the functioning of our school.

"Coming together is a beginning.
Keeping together is progress.

Homecoming Queen Patty Coy

After much detailed planning, many bright ideas, and hours of hard work, the 1957 Homecoming became a reality. The lovely queen, Patty Coy, was crowned by Principal Max Wiesman during the half-time ceremonies of the Franklin-Danville football game.

Bill McMillan, president of the sophomore class, accepted the trophy for the best float on behalf of his class, as the fans in the bleachers cheered their approval.

floats . . .

Excitement was high when, after many hours of secret and painstaking work, the gaily-decorated floats were towed into the parking lot for the big parade. The sophomores' clever float with its catchy slogan, "Hickory, Dickory, It's Time for Victory," carried away top honors in the float competition.

Spirits were high as the Franklin Grizzlies rolled against the Danville Warriors in the highlight of the Homecoming festivities.

The two teams staged a very appropriate battle for the occasion on the cement-hard field; but in the closing minutes of the game, the Grizzlies fell short on an extra point conversion. When the final whistle blew, the Grizzlies were trailing by one point, 12-13.

Couples dreamily descended from the authentic pier entrance of the City Building in the tropical moonlight amid the stately palms, and set foot on the shifting, whispering sands of the "South Pacific."

The beautifully decorated setting seemed to lack only one thing -- the South Seas sky was absent.

Adding to the mood of the evening were the never-to-be-forgotten or-duplicated monkeys which were seen on the tables and other strategic places. Other favors were pearly pink shells and colorful printed programs.

The service clubs sponsored a Post Prom Party, and the sleepy couples danced into the dawn to the music of Vic Knight and his band.

The Franklin High School Band has become well known in the state and nation -- and in Canada, too -- because of its many accomplishments in concert and marching work. Articles and pictures concerning the band have been in leading music magazines from time to time.

Pictured above is the band at the Indiana State Teachers Convention when they presented a concert for the music educators. The concert was successful, although the band's number was decreased that day due to the nationwide Asian flu epidemic.

There are many reasons for the band's popularity, but perhaps the lively, spirited, appealing music is the most important. A concert is never dull, because of the wide variety of music played -- symphonies, concertos, Broadway hits, old-time favorites, and hit tunes -- from dreamy waltzes to rock-'n-roll.

Band tours give students an excellent chance to enjoy the scenic beauty of our countryside. Enjoying some "sight-seeing" are Dick Wheeler and Ted Anderson.

Scott Howell has been invaluable to the F.H.S. band as he has served as student director during the 1957-58 school year. Our strutting drum major Ted Wiegand led the marching band to a third place rating in the 1957 State Fair Marching Contest.

Carol Louise Richardson has made a practice of collecting blue ribbons during her high school years. The winner of the 1957 Young Artists' Contest, sponsored by the Indianapolis Symphony Orchestra, Carol has made a name for herself throughout the state.

An accomplished musician, Diane Mitchell has been an asset to the band, playing both her trombone and her oboe. Alan Winslow, a featured soloist with the band, has the distinctive honor of holding the most years of membership. Both students have received first division ratings at the District Solo and Ensemble Contests.

and also of our Concert Choir.

It's fun to sing in the Franklin High School concert choir! Of course, the many hours spent going over and over a few measures to get them just right aren't always enjoyable; but when the performance comes, everyone is assured that the concert will be a good one.

There's always a song that fits the occasion, for the choir's repertoire extends from "Polly Wolly Doodle" to the "Hallelujah Chorus."

An attractive addition to the royal blue robes were red Old English F's embroidered on the white satin stoles.

The choir presents three concerts, goes on a concert tour, goes to other schools, and provides music for school and outside functions.

Scholastic leaders in F.H.S. find a reward for all their work when they are initiated into the National Honor Society, the highest high school scholastic honorary organization.

Aiding students by creating an enthusiasm for scholarship, stimulating a desire to render service, promoting worthy leadership, and encouraging the development of character, the Nettie Craft Chapter of the National Honor Society is composed of ten per cent of the junior class and fifteen per cent of the senior class.

Candidates for membership must have the required B average. Membership is determined by a councl composed of the principal and faculty, who base their vote upon scholarship, leadership, service, and character.

Tri-Hi-Y is a service club sponsored by the YMCA and is dedicated to its purpose: "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

All junior and senior girls who have a 10-point average or higher are eligible for membership, but they must maintain their average perform a definite number of services during the year to retain membership.

The girls' activities include guiding new students; filling Thanksgiving and Christmas baskets for needy families; buying and wrapping gifts for mental patients; taking care of weekly devotions over the public address system; helping with the polio drive; sponsoring a mixer, and many other service projects. They also go Christmas caroling with Hi-Y and help with concessions at football games.

Junior Tri-Hi-Y, Little Sister to Tri-Hi-Y . . .

Junior Tri-Hi-Y officers are (SEATED) Priscilla Bowman, president; (STANDING) Judy Manual, treasurer; Jeannine Orr, chaplain; Carole Fricker, secretary; Wanda Coffey, vice president; and Joyce Montgomery, historian.

Making its debut into Franklin High School in 1957, the Junior Tri-Hi-Y Club functions as a service organization for freshman and sophomore girls.

A sincere desire to belong to a Christian organization, and at least ten hours of service in the home, school, or community are the only membership requirements.

Community services included soliciting for the Heart Fund, singing Christmas carols at the Johnson County Home, and sending toys and clothes to the Muscatatuck State School.

County Junior Red Cross Council members Alan Winslow and Sharon Ritter address gift chests for children overseas.

Officers of F.H.S. Junior Red Cross--Anna Lemley, vice president; Herbie Fisher, president; Eva Rector, secretary--mount crossword puzzles for veterans hospitals.

If you stop to be kind, you must swerve often from your path, and the Junior Red Cross finds this true as they serve others at home and abroad.

Some of the international activities include filling gift boxes for children overseas; packing towels, athletic equipment, and many other items for foreign school chests; and making contributions to the National Childrens Fund.

Community activities include making favors, serving refreshments, and giving programs at the Muscatatuck State School, Johnson County Nursing Home, and Veterans Hospitals in Indianapolis and Marion.

Any student in grades seven through twelve is eligible, and at present a girl and boy from each homeroom are elected to serve on the council. Each county high school is represented on the County Council of Junior Red Cross.

"Who can identify this one?" "You mean she goes to school here?" These are familiar remarks in the KITE room as Mrs. Irish, sponsor, and Jane Demaree, editor-in-chief, struggle to correctly name all the faces in our yearbook.

It's the little things that you remember about school days--the struggle opening your locker, meeting that special someone on the steps, the tense moments at the close of a ballgame, working together for school projects--and these the yearbook staff tries to record as a pleasant reminder of happy high school days.

Honart Club for Future Rembrandts.

Paints, pencils, clay, and imagination are the tools of Honart Club members. The club, an honorary art organization, provides additional art experience and incentive for potential artists and widens their knowledge of art appreciation and history.

To be eligible for membership a student must have a 'B' average in art for one year before becoming a member.

Each year a good pin set with rubies is awarded to the outstanding graduating art student.

Honart Club officers are Mary Ballard, president; Robert Seitz, vice president; Nancy Brown, historian; Jim Cantwell, treasurer; and Lorna Britan, secretary.

F. B. L. A. for future businessmen and women . . .

Future Business Leaders Officers Nancy Brown, vice president; Joyce Greever, reporter; Pat Snively, president; Diona Blackwell, secretary; and Patty Watson, treasurer.

A national organization for students in business education, the Future Business Leaders of America serves as an effective means for guiding the interests of students in studying national problems and community improvement.

The purpose of the club is to create more interest and understanding in the intelligent choice of business occupations, to improve and establish standards for entrance into store and office work, to develop character, to train for useful citizenship, and to foster patriotism. Besides all this, they have fun, too!

F. T. A. for future teachers

"For every child there should be a good teacher--professionally trained, competent, and understanding. And for every child there should be well-planned classrooms which are sufficient in number to guarantee him a chance to learn under the best conditions possible."

The Future Teachers of America, sponsored by the National Education Association, is organized primarily for the selective recruitment of teachers, through an effort to discover those who have an active interest in teaching children. Good mental health, good moral character, above-average scholarship and citizenship, ability to work with others, and pride in teaching are among the qualities possessed by those cited for membership.

Future Teachers officers Deanna Adamson, secretary; Diona Blackwell, president; Sharon Ritter, treausrer; Maryka Matthews, vice president.

Dramatics and Thespian Clubs uncover hidden talent

"'The world's a stage.'--as Shakespeare said one day; The stage a world--was what he meant to say." These words of Oliver Wendell Holmes are a reminder of the Dramatics Club because of the world of dramatic activities included in this organization.

Not only well-known phases of the theater, such as costuming and makeup, but also humorous and dramatic interpretation, original oratory, and radio announcing are stressed in the club program.

Programs consist of play cuttings presented by club members and Franklin College players, informative speeches concerning dramatic activities, and many other things connected with the wide field of dramatics.

Club members work together and individually to obtain enough honor points to become members of Thespians, a national dramatic honorary.

as students work in comedy, drama, and debate.

As a reward for their work in the field of dramatics, students who have gained the necessary ten honor points are initiated into the National Thespian Society.

This honorary organization is an educational honor-and-service organization of teachers and students, established for the advancement of dramatic art.

In the truest sense the National Thespian Society is a service organization to its members, offering them information on play selection, casting, rehearsal, lighting, acting, stagecraft, make-up, costuming, and publicity. Because of her good work this year, Frances Richardson was given the Best Thespian Award.

Our local society functions are the core of the Dramatics Club, and thereby acts as a stimulus to neophytes in the field of drama.

WHAT IS OUR SCHOOL?

IT IS OUR SPORTS FROM...

SEPTEMBER TO JUNE

The clatter of cleats, the cheers of the crowd, the thud of rebounding basketballs, and the chatter from the benches are familiar to Franklin High School athletes and fans alike.

Our sports are a vital part of our school as they hold the interest of the players, students, and other sports enthusiasts.

Franklin High is represented on the field and floor both at home and away in football, basketball, cross-country, track, golf, and baseball by our Grizsly Cubs.

The challenge of athletics in the triumph of victory and bitterness of defeat is indicative of the vitality and Spirit of Franklin High School. We all participate, either as athletes or as spectators in the athletics of our school.

A pile of Grizzly Cubs make another tackle against the Shelbyville Golden Bears.

On August 15, the 1957 grid squad had not only its first practice of the season, but also its first practice under new Head Coach Ray Reed and his staff, Coaches Jim Kight and Dale Eddelman.

Our spirited, never-say-die football team had many exciting games during this season. In addition to winning over both Edinburg and SCC foe Greensburg, FHS gridders played an outstanding defensive game against the best offensive team in the conference, Rushville; outplayed the Southport Cardinals, but, due to a quirk of fate, ended with the short end of the score; lost a bitterly-fought game to Danville by one point, 12-13; and bowed, after trading touchdowns all evening, to Greenfield, 28-35.

This year, for the first time, special trophies were given for defensive play. Gene Perry received the award for the most tackles made; and Alan Winslow, the one for the most assists.

Winslow was also elected team captain, was awarded the Most Valuable Player trophy by the Lions Club, and was named to the all-SCC football team, with Perry receiving an honorable mention to the SCC squad.

Although Cross-Country is a relative newcomer to Franklin High, Coach Robert Claxton's harriers proved to be a South Central Conference cross-country power during this, their third year.

In his second year as head cage mentor, Coach Cosgrove led the Grizzly Cub roundball team to a 12-10 season record, including the Holiday and sectional tourneys.

The Grizzly Cubs seemed to be a home team all the way, with a 9-2 home record, and a 3-8 away tally. The season was one of contradictions in several ways, with the Cubs playing in hot and cold streaks and their spirit behaving in a like manner. They scored victories over such teams as Southport, Seymour, Connersville, Shelbyville, and Greensburg, but lost to teams like Sacred Heart, Indianapolis Washington, AND Helmsburg.

Graduating lettermen on this year's team include Mike Dunn, John Edmondson, Pat Gallagher, Dick McNew, and Phil Walters.

Steve VanAntwerp was the only junior named to the all-SCC team by virtue of his being the leading scorer in the conference. Dick McNew was fifth in conference scoring.

Coach Bob Claxton's Cublets had a most outstanding season, with an excellent 15 won and 3 lost record.

The Cublets showed a great deal of promise and their record seems to indicate an upswing in F.H.S. 'round ball fortunes in the next several years. Some of the Cublets saw some varsity action during the latter part of the season and gained valuable experience for year year.

What Is Our School?

IT IS OUR FRIENDS

OLDER AND YOUNGER

As the bell rings on that first school day in the Fall, hundreds of students pour into the buildings once again. From that moment until school closes in the Spring, the students and faculty and their activities keep the heart of F.H.S. beating.

The students at Franklin are like those at any other school. The girls wear sweaters and skirts, lots of crinolines, and "pony-tails"; and the guys wear sweaters and slacks, levis, and "flat-tops." Naturally the favorite type of music is "rock-n-roll," and everybody does the Stroll.

We attend classes 180 days a year, play football and basketball, toot trumpets, publish newspapers and yearbooks, present plays, and squeeze in time for coke sessions at Nick's.

Time is a strange thing . . . sometimes it drags and sometimes it flies. So it is with our precious moments in high school. From now on, even though Time calls us to something else, the years spent and the friends we make at Franklin High will be etched in our memories.

We admired our scholastic leaders

From crisp September days to sunny June days these students, guided by the faculty, have applied their scholastic ability to become leaders in their various classes.

At the close of the first semester of school this year, the students pictured here were ranked at the head of their respective classes. The seniors are shown as they appear on the official school record, and the underclassmen are arranged according to the total number of A's and B's they have earned.

These students, leaders in activities as well as scholarship, will continue to serve the school and community by using their talents, knowledge, personalities, intelligence, and time as they make a place for themselves in our wide, wide world.

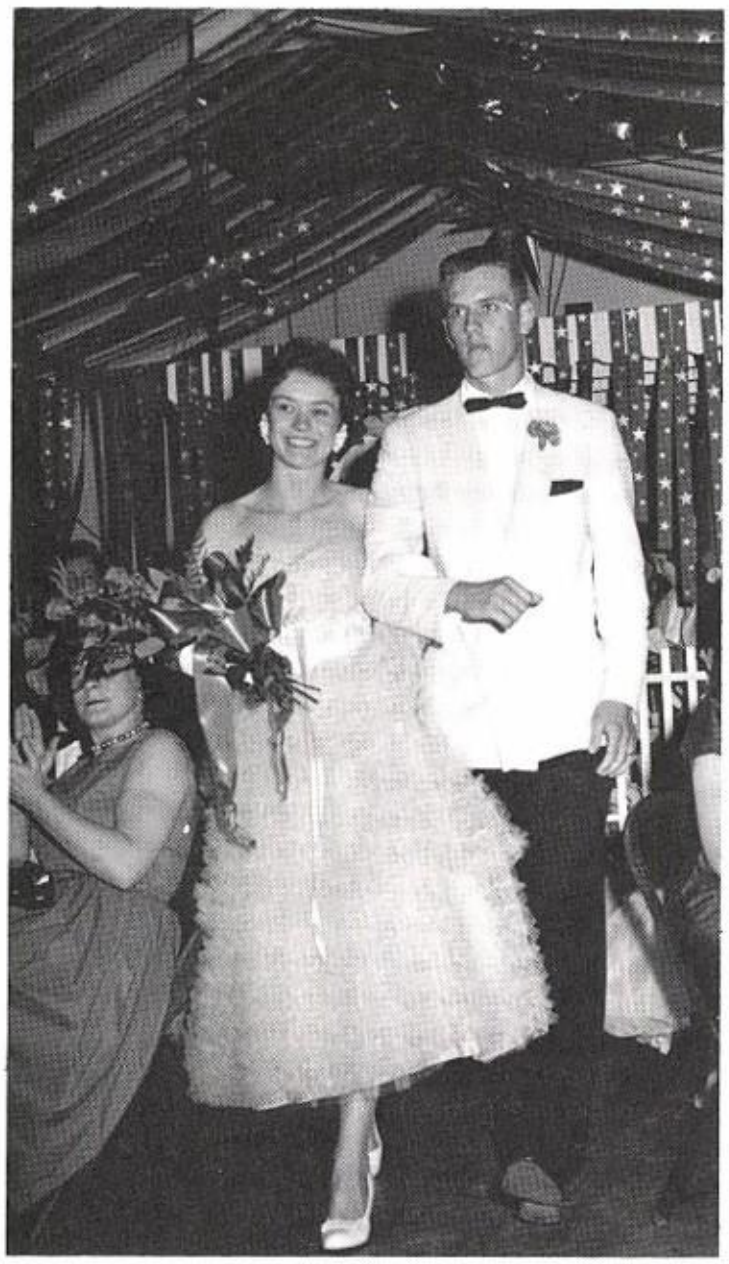
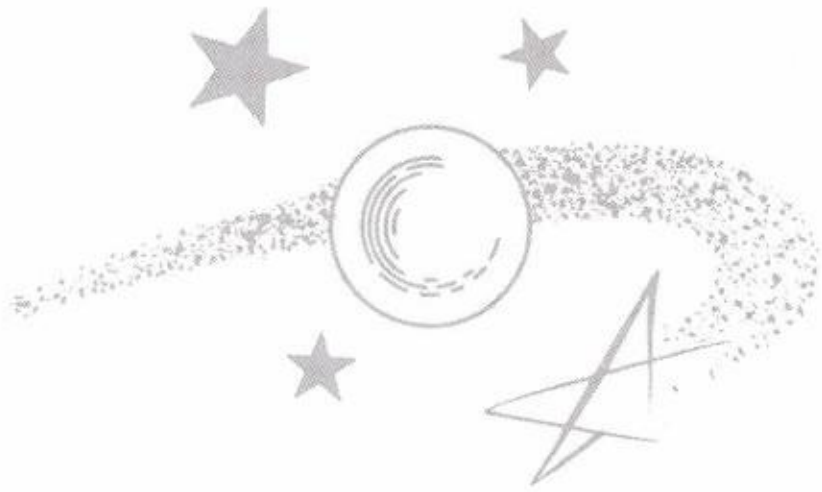
This Was the Loveliest Night of the Year.



"It must have been Moonglow--" and the 1958 Junior-Senior Prom certainly reflected the soft light, as beautiful girls in bouffant dresses of chiffon, and handsome, debonair boys in dinner jackets dreamily danced the evening away.

The deep blue ceiling studded with silver stars helped to form a perfect setting for a perfect evening. Flowers abounded and could be seen growing from behind the stone wall that enclosed the dance floor.

Everyone truly danced all night as the Prom became the Post-prom with more dancing, refreshments, and the added attraction of square dancing.



Entering as the 1958 Prom Queen is Judy Blackwell, escorted by Kenny Webb.

Members of the court were Judy Prall, Emily Yount, Queen Judy Blackwell, Marie Miller, and Rita Sefton.

Enjoying an evening of fun are Doris Coffey, David Gee, Pat Priddy, Audie Kemp, Bob Seitz, Mary Cameron, and Scott Howell.

Royalty crowns royalty, as the 1957 queen Diona Blackwell crowns Judy Blackwell queen of the 1958 Prom.

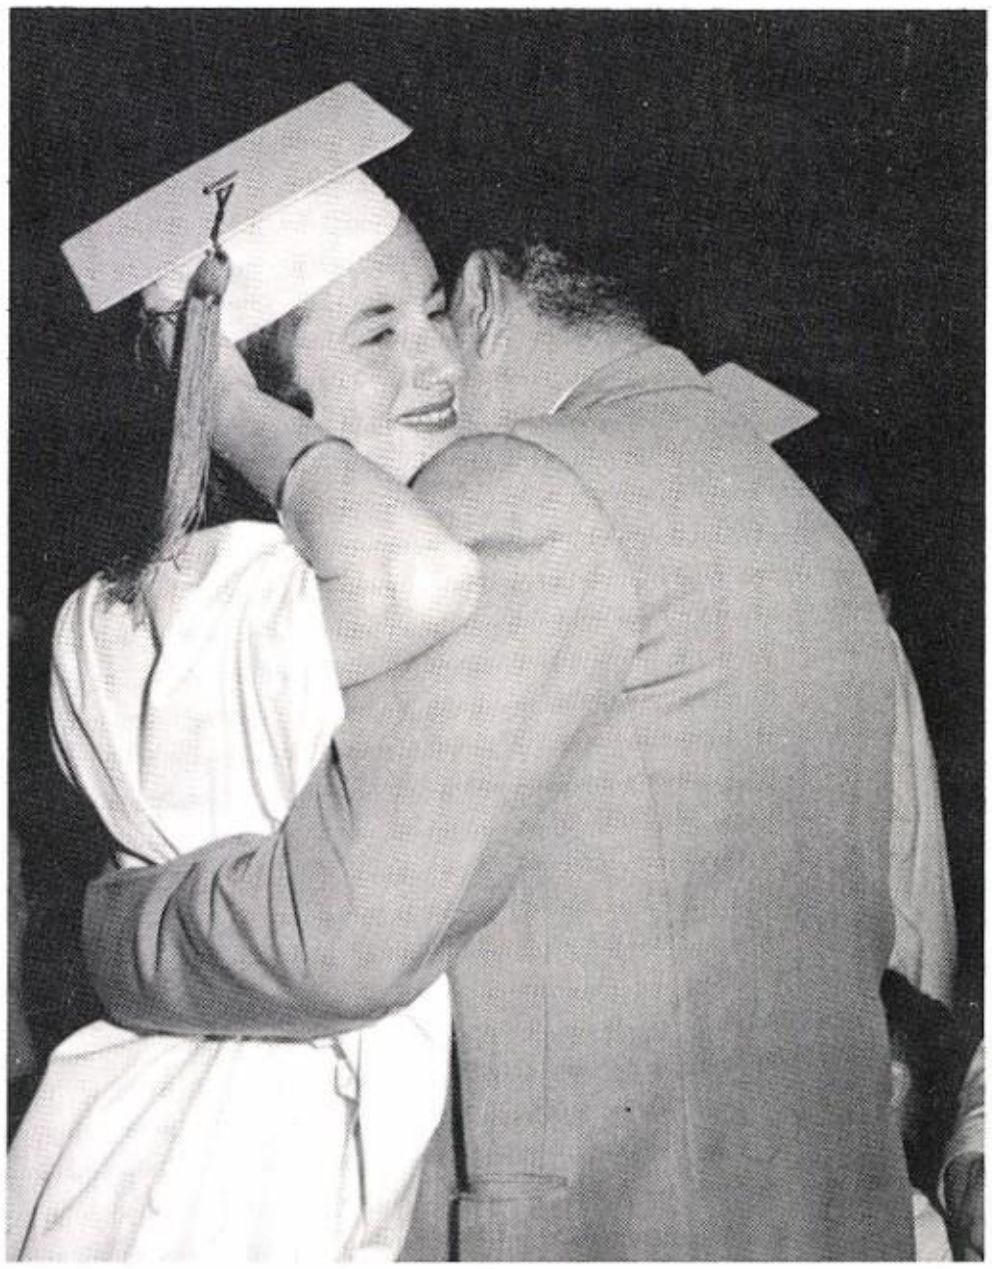
our last moments in high school— Commencement.

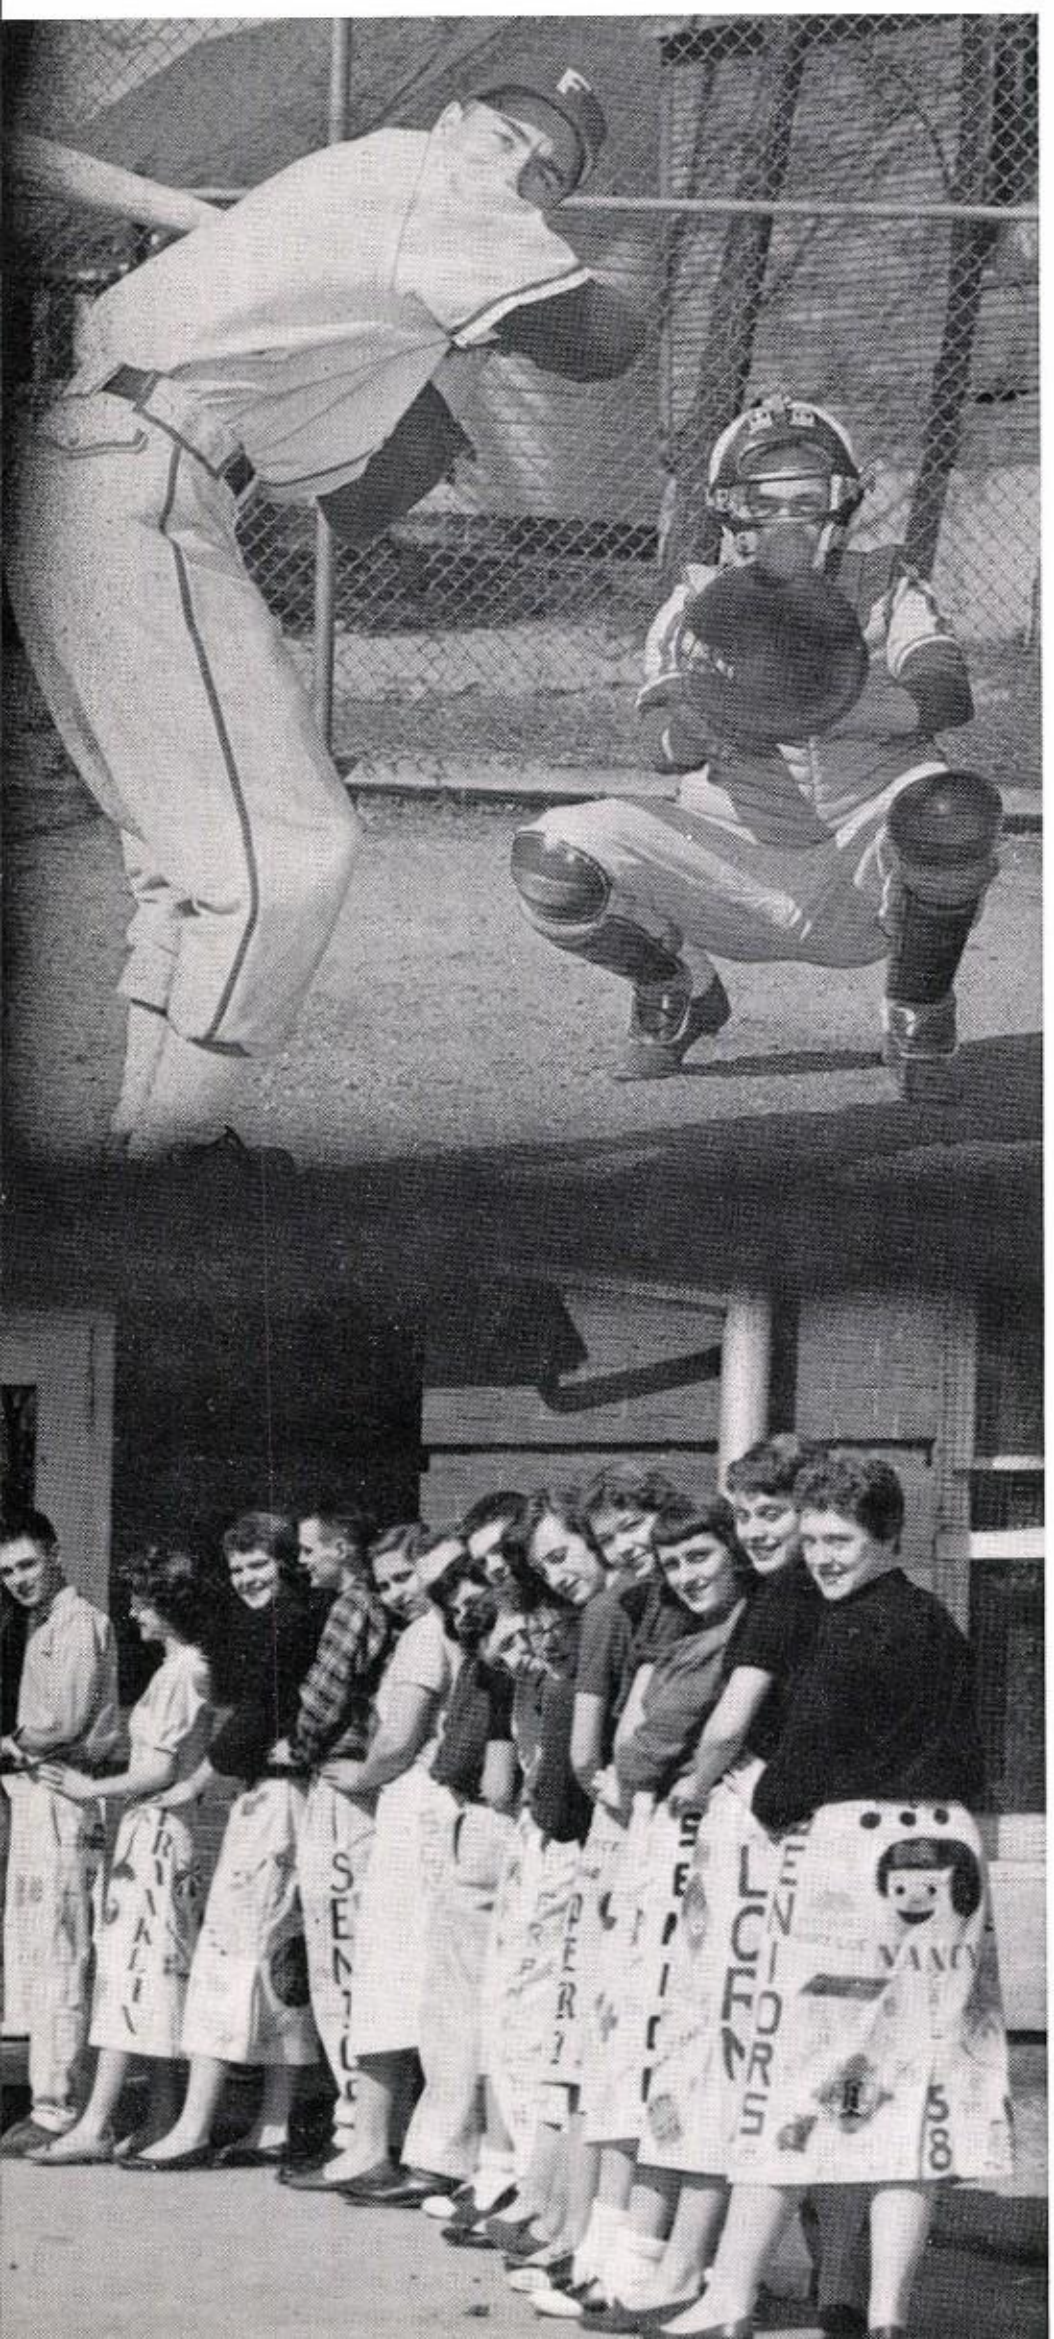


Graduates and their parents and relatives meet outside for congratulations and tears of happiness.

WHAT IS OUR SCHOOL?

IT IS OUR ODD MOMENTS . . .

NEVER TO BE FORGOTTEN



Fun-filled hours were many in F.H.S. as we worked, played, and grew in our brief but boisterous life together. As time passes we realize, some of us for the first time, that these hours will never return. Gone are the all-too-brief hours which drew us closer together and made our high school years the happiest we have experienced.

The hours filled with fun, happiness, excitement, and work have been trapped by the quickness of the camera's shutter, they will not tick on--they remain suspended--they are ours to hold forever.

Roddin' around, pizza parties, impromptu blasts . . . club meetings, scholastic and music contests, class projects . . . dances, convos, athletics . . . fill the lives of F.H.S. students.

Now time has run out. Our record of the 1957-58 school year has been made and our books have been put away. Our time spent together is but a memory . . . a happy memory.

These are the district contest entrants in language: Bruce Irish, Susan Bright, Susan Murphy, Olivia Scott (2nd place in Latin), Grace Cleveland, Judy Manuel, Mary Shockney, Libby Cisco, Peri Irish (2nd place in English), Jane Demaree, and Maryka Matthews. In the State, Bruce won a silver medal in Spanish; Jane and Peri made Honorable Mention in English.

Cadet teachers are (BACK ROW) Mary Lue Evans, Kay Satter, Gail Parsley, Libby Cisco; (FRONT ROW) Frances Richardson, Nancy Legan, Diona Blackwell, Mary Ballard, Ann Heminger, Sharon Ritter, Sally Mitchell, Doris Coffey; (SEATED) Mary Shockney, sponsor Mrs. Richardson, Bob Reed. The KITE staff bravely manned the front, selling cokes and popcorn at football games.

Hi-Y pledges were dressed as girls and became slaves of the Hi-Y members on a fateful day in fall. Laughter and fun were uppermost in everyone's minds, except perhaps those of the poor pledges.

Our year as

SEPTEMBER

3 - The first day of school, finally. It was a long summer and we're all glad to be back. The band placed third at the State Fair, which makes it in the top four for the last three years. Our new friend, Charlie Norton, has been enrolled in every single junior and senior class, but guess he couldn't make up his mind which ones to attend, because he didn't show up at all. The KITE subscriptions are already being sold to students.

15 - Sunday, and practically all the senior class just happened to get together at Brown County and have a wonderful picnic.

OCTOBER

1 - Formal Tri-Hi-Y initiation service at the Baptist Church for 39 new members.

2 - Excitement is felt when preparations for the third Homecoming begin. Every class has little secrets.

4 - Tonight was the Homecoming game against Danville. Patty Coy was queen, and the sophomore float captured first with their clever theme. Senior pictures will be taken the rest of the week.

10 - Today the last straggling seniors got their pictures taken. Now we have to wait for proofs.

16 - We all went out into the sun and wind for club pictures.

17 - Classroom pictures were taken with test tubes, maps, and the general agony of it all.

18 - Convocation by Up'n'Atom on electricity. It provided a large charge, but no one was electrocuted.

19 - The big fire which demolished the building next to Fertig's. Now all our senior pictures will have to be retaken; and the KITE will be delivered in the summer because other pictures were burned, also.

22 - Today was National Scholarship Qualifying Test day for all seniors throughout the U.S. There were quite a few students absent because of Asian flu, but those present agreed it was very gruesome.

24,25 - Teachers Institute, and everybody went shopping.

31 - Halloween. Who put the cheesecloth on Mr. Batton's yard? Only a few kindhearted souls who didn't want the grass to catch fi--(oops!) cold.

NOVEMBER

4 - The Honart Club had its initiation this evening. Fourteen new members.

9 - KITE Staff chili supper. No one was able to stand up by the time it was over.

12,13,14 - Senior pictures retaken. We all cracked the camera for the second time.

25 - All-school play, "Onions in the Stew," at Northwood auditorium. The cast had more fun and laughs than the audience.

27 - Thanksgiving convocations and -- wheee, vacation!

DECEMBER

14 - Christmas Tree Dance - beautiful decorations.

16 - Tri-Hi-Y and Hi-Y tried caroling to blend their voices. Homerooms began decoration for Christmas.

20 - Christmas vacation started today. The three best decorated homerooms are Mr. Kight's, Mrs. Circle's, and Mrs. Matthews'.

JANUARY

2 - Back to school. Last year's graduates came back to lend wisdom to senior classes preparing for college.

4 - Holiday Tourney games. The KITE Staff selling concessions felt like juniors again.

16 - A petition was circulated in band to keep Karen Skaggs in.

17 - End of semester! Tests over! Hurray! Tears filled the eyes of the senior English classes as they disbanded their clubs. Many hearts hold an empty space now; and Mrs. Blake even passed out Kleenex to those who needed it.

FEBRUARY

10 - Play tryouts for "Dino." Choosing characters was very difficult because so many fine actors and actresses tried out. Some fit the parts remarkably well.

14 - Valentine's Day, and several birthdays. Among these was Diane Mitchell, who was presented with a unique straight skirt with a divine collar to match. Today was Mr. Poggio's last day with us. We were very sorry to see him go; we enjoyed his visit immensely.

20 - The Clean-up campaign. Teachers and students fanatically pick up paper in the race for the cleanest room.

22 - Senior bake sale at Western Auto. Didn't quite sell out.

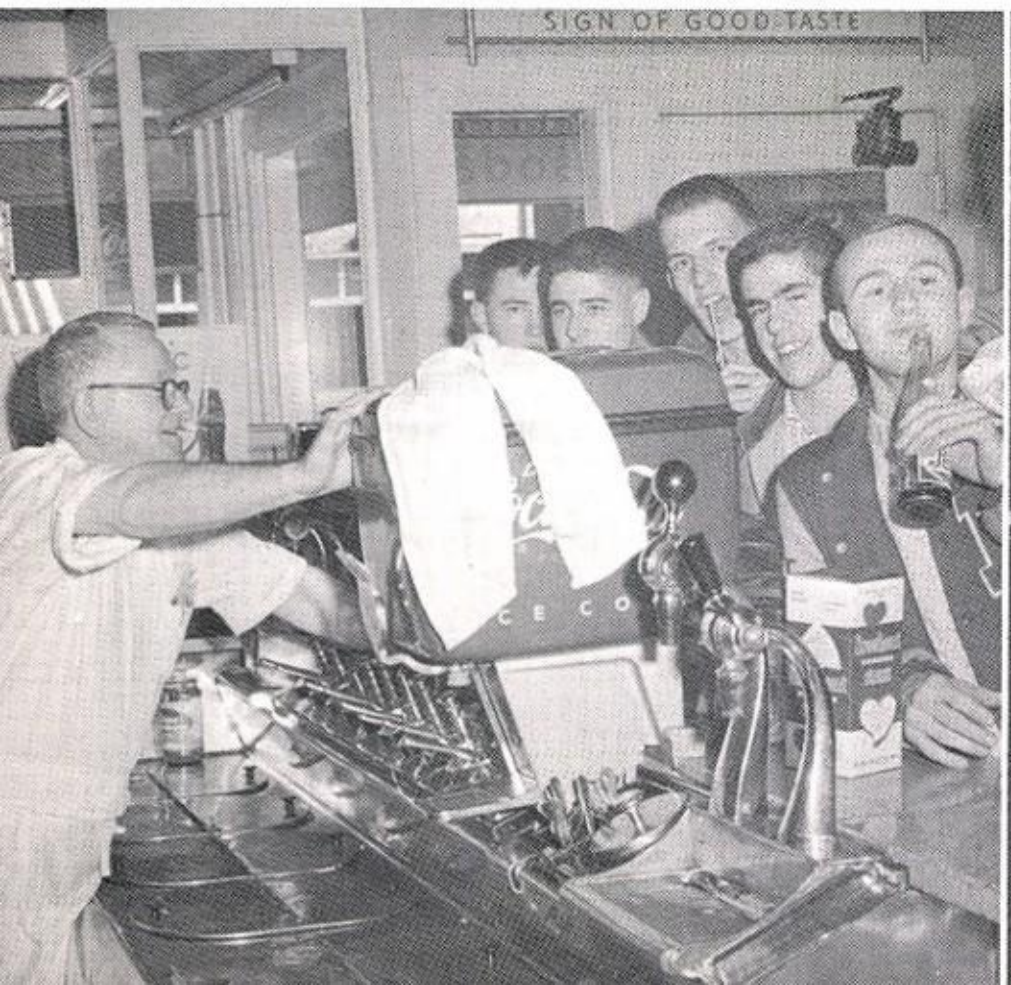
Kathy and Charlotte clown at a football game.

Linda, Gayle, Barbara, Judy, and Marie show the latest fads -- billowing skirts with crinolines, sack dresses, chemises. Also being worn in 1958 were the trapeze, T-strap shoes, embroidered blouses with draw-strings, and harem skirts.

Nick hurriedly fills orders during the after-school rush as students line up to receive their revitalizers.

Jerry, Doris, and Sally exchange a bit of the latest gossip and jokes with David after a hard day at school.



from September to June.

23 - Heart Sunday, and Hi-Y, Tri-Hi-Y, and Junior Tri-Hi-Y canvassed Franklin for this cause.

24 - The beginning of "Smile Week," sponsored by Tri-Hi-Y. After this week it'll be hard to return to our usual grouchy selves.

25 - Susan Seward, Walter Kemp, Carole Fricker, and Mary Ballard attend the L. S. Ayres National Scholastic Art Exhibit, accompanied by Mrs. Pruitt and Mr. Wiesman. Susan, Walter, and Carole received honorable mentions for their work, and Mary received two keys and an honorable mention.

26 - First day of sectionals! Our hopes are high for this year.

MARCH

1 - Last day of Sectionals. Tears filled the eyes of F.H.S. fans and the Pep Club when we lost to Helmsburg, 40-41.

7 - County Choral Festival. Excellent music by the combined choirs of the county schools was enjoyed by all.

14 - The Grizzly Cub: theme "Gay Nineties." The decorations gave just the right atmosphere, especially the "coke bar."

28 - All-school play "Dino" was presented to a packed house at Holloway Hall. Mark Rogers, Mary Ballard, and Carol Goodman were delegates to the World Affairs Institute in Cincinnati, sponsored by the Rotary Club.

APRIL

1 - Juniors bought class rings and proudly wore them, but soon the problems of who's going to wear whose will come.

18 - The Spring Concert at Holloway Hall - a fine performance as usual. Senior members of band and choir are beginning to get sentimental about leaving.

21 - Honart Club senior-alumni honorary dinner at Joanna Smith's home.

26 - Senior car wash in the parking lot. A wet, happy, and fairly profitable time was had by all. The cream of Franklin's language students went to I. U. to compete in the state contest finals. Silver-medalist Bruce Irish is sixth in the state in Spanish II.

30 - Len Lanahan got his foot caught in his chair in physics and thought he'd have to stay in that class for the rest of his life. The National Honor Society initiation dinner at the Country Club - new junior and senior members were welcomed into the chapter

MAY

1 - Fifth hour convo by Miss Virginia Sale, who knows quite a bit about F.H.S. David Cline, Dick McNew, and Bob Bingham failed their Toothbrush exercises, and Mrs. Richardson was rebuked for chewing gum. Carol Goodman's poem, "Oh, Spring, was rudely interrupted by Art Cosgrove's spitball, and "that out-of-town girl," Matthews, tried to trip the speaker. Thespian initiation and dramatics club party at Province Park.

2 - Choir presented a program at Union, altho the boys got a bit mixed up with "Kansas City." Senior party at the park. Quite a few kids found out how old and stiff in the bones they are getting when they square danced all night.

7 - Hi-Y talent show. The band ensemble, Olivia Scott, Reuben Frazier, boys double quartet, and Joyce Montgomery placed. The intermission entertainment was more well liked than the rest of the show. Real music in that combo!

9, 10 - Pops Concerts by band and choir at Holloway Hall. Both performances climaxed a fine year for the band and choir.

13 - Kappa Delta Pi tea for the senior exploratory teachers. The students were introduced to the teaching honorary and spent an enjoyable afternoon.

16 - Junior Prom, "Moonglow," at the City Building. Absolutely the most beautiful decorations yet!

17 - Post-Prom party - square dancing is fun!

19 - Tri-Hi-Y officer installation. Senior girls are already crying about graduation.

23 - Senior Day. The best we've ever seen! Dick Foley and Paul Smallwood did a fine job as M.C.'s of Club '58. Eight awards presented.

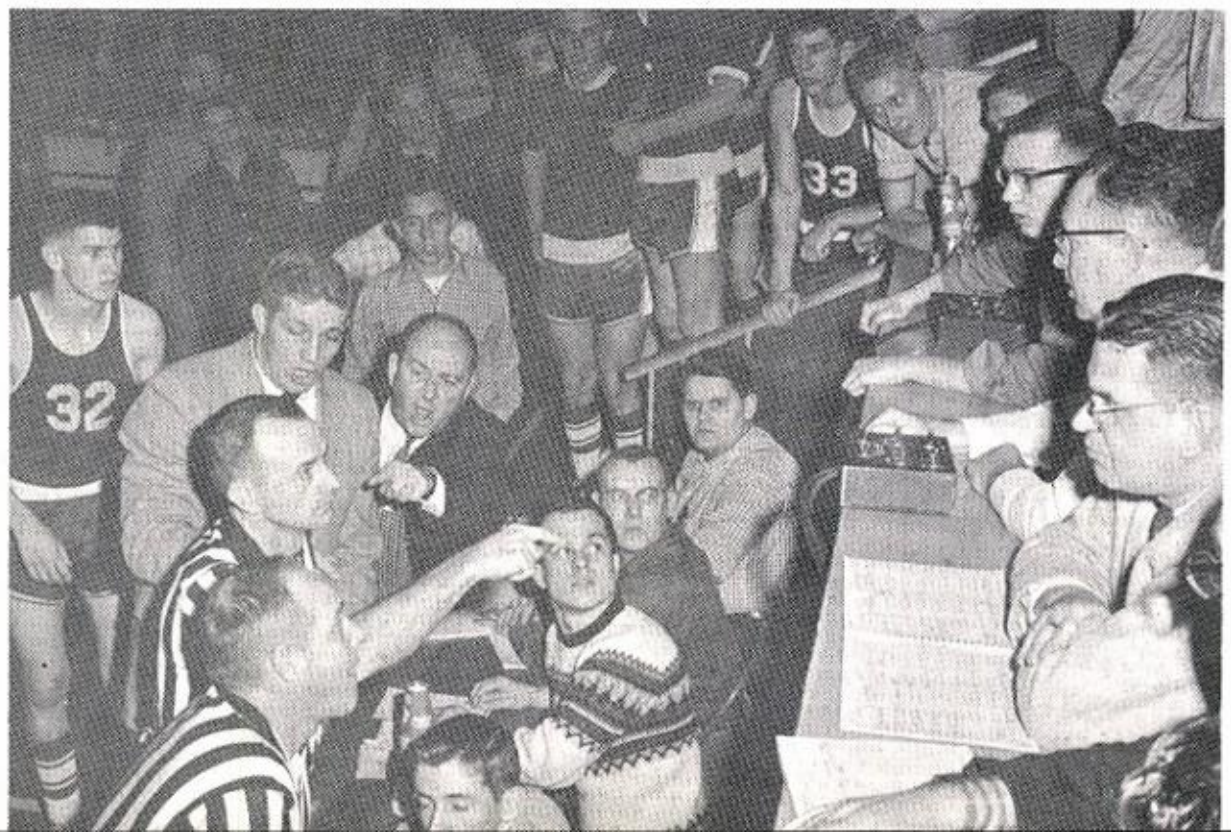
25 - Baccalaureate at the Methodist Church. An inspiring message was delivered by Dr. Baldridge. Mark Rogers' measles looked nice with his blue robe

26 - Senior trip. The class had a gay old time at the Noblesville park. Sore muscles are prominent.

28 - Commencement. Eighteen scholarships awarded. Parties at the Country Club and at homes afterward.

29 - Report cards for underclassmen. The band marched in the "500" parade in Indianapolis.

30 - Everyone separated for the summer.



Becky, Bonnie, Jane, Kathy, Ann, and Nancy whoop it up to welcome in the new year.

Jaci, John, Patti, and Billy have a different kind of celebration as hats and horns are enjoyed.

This is Byron Nash after a day of picture taking for the KITE.
